

The image shows the Ars Electronica Center in Linz, Austria, at night. The building's facade is illuminated with a grid of lights, creating a shimmering effect. A blue rectangular overlay is positioned in the center, featuring the 'esero' logo in white. The logo consists of the word 'esero' in a lowercase, sans-serif font, with a white starburst above the 'e' and a white line connecting the starburst to a white circle below the 'o'. To the left of the starburst, the word 'Austria' is written in a bold, blue, sans-serif font. The background shows a dark sky and a river in the foreground, with the building's lights reflecting on the water.

Ars Electronica Center, Linz

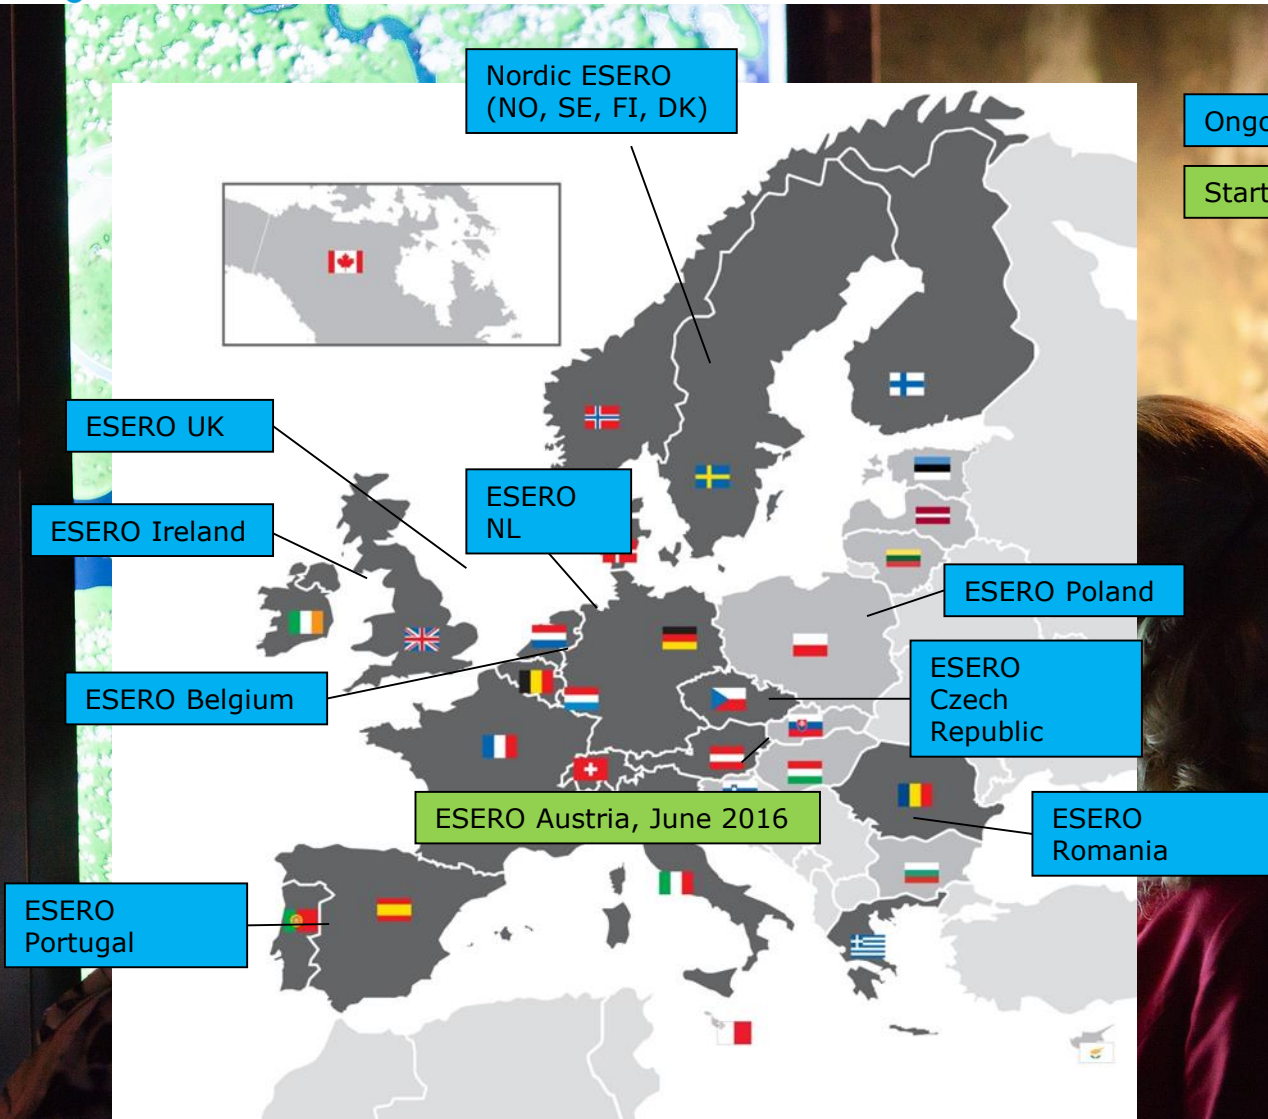

ESERO – Inspiration Weltraum

The background image shows an exhibition space. On the left, a large digital display shows a topographic map of a region with green land and blue water. A person's hand is visible, touching the screen. On the right, a woman with blonde hair is looking towards the right side of the frame. The lighting is warm and focused on the exhibits.

ESERO – Inspiration Weltraum

- Space is the Context
- Naturwissenschaftliche Interessen bei SchülerInnen fördern
- Zielgruppe: LehrerInnen MINT/STEM-Fächern

Durchführung von anrechenbaren LehrerInnen Fortbildungen

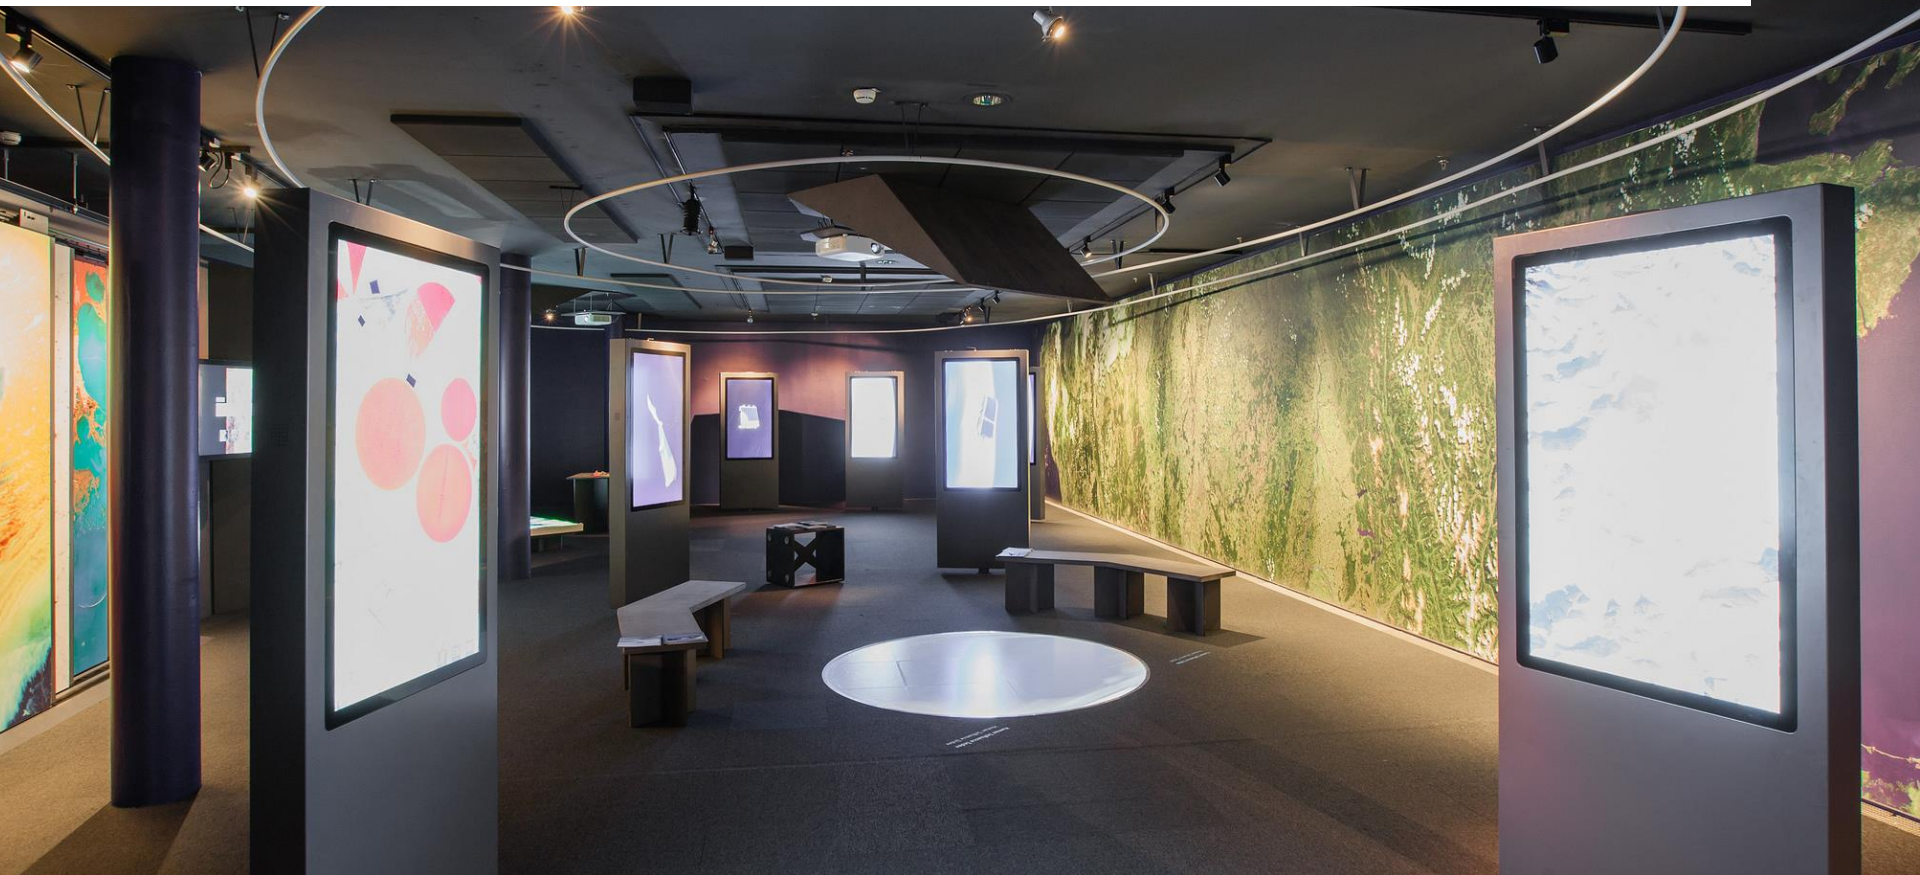

Entwickeln von Unterrichtsmaterialien

Bewusstseinsbildung – Sensibilisierung für Weltraum

Raumschiff Erde für NMS LehrerInnen

1. Dezember 2016, Linz

14:00 – 17:00

Schulprogramm: zOOm IN Raumschiff Erde

Dauer: 1 Stunde

Max. 15 TN

Herzlichen Dank
