Scenario 09:00am-5:30pm

Tuesday 2017-06-13

The Magna Adventure Tour will start at the Hagan Lodge. In the picturesque landscape of the Ausseer region you will experience an extraordinary adventure and new perspectives will be found to communicate for successful team work. A road book and geographic coordinates will be given by geo-tablets. (maps, Audio and specifications for the tasks). It is essential to find several hidden caches to complete the adventure-tour successfully. Afterwards, all teams discuss the recent adventure day, how everyone experienced the teamwork and their impressions during the process in a final come together. "Is there anything in this team day you could use for your everyday work in the future" is just one of the questions.
